- Further redos for that member inside the 60 days pay $0, are still required, and alert Justin.

- A redo is always the fix. It is never replaced with an account credit.

Lockouts and late cancels

- Can't get in? Call or text the member through the app, wait 15 minutes, photo the door, then tap Lockout.
- A verified lockout or a member cancel under 24 hours pays 50% of the visit rate.

Keys, codes, alarms and pets

- Access codes show only to the assigned Pro, from 30 minutes before the window until check-out.
- Never share or write down codes. Lock up, set the alarm and leave lights and AC as found.
- Follow the pet notes on the job card. Never let a pet out.
